Dear Potential Donor,

The Redondo Sunset Baseball & Softball League is a local 501(3)(c) non-profit Youth Sports League based in Redondo Beach. We have over 900 players each season and our mission is to give these boys and girls an incredible experience with sports. We emphasize team building, fair play, and playing sports outside in the fresh air with their friends. The League is run and operated solely by parents and volunteers, and in order to offer a great sports experience for each and every child, we rely on sponsorships, donations, and fundraising from our community of families and businesses like yours.

We are currently seeking donations to help us raise funds for our **“Opening Day Silent Auction”** which will be held at the Alta Vista Baseball & Softball Fields on March 7th. We would be extremely grateful if you would be willing to make a donation in the form of product or services that will be placed in gift baskets and auctioned off during the event. This fundraiser is one of the largest of the year and funds raised all go towards maintenance of our five fields, sports equipment for coaches and players, and keeping the lights running on all fields in the evenings for safety.

This is also a great way to advertise your business to the more than 500 guests that will be attending the event. For tax purposes our Tax ID number is #26-4059992.

We cannot thank you enough for considering a donation of product or services towards our silent auction event. Please send all items to the address below and to the attention of . Should you have any questions, please do not hesitate to call or reach out. We greatly appreciate your consideration and on behalf of all of the children playing on our League we thank you.

Best Regards,

Katherine Zabloudil
Sponsorship Coordinator
